

FROM HOT SPRINGS.

A Prosperous Season—Many Invalids.

HOT SPRINGS, Va., July 15, '95.
To the Editor of the PLANET:—
This is a great watering place. Visitors are here from all sections of the United States, as well as South America and a few from Europe. It is a picturesque mountain region and the sparkling thermal waters have not their equals anywhere in the country. Rheumatism and skin diseases are here helped by lying upon their couches and in a few weeks are numbered with the gayest of the folks.

Mr. R. N. Smith of New York City, formerly of Richmond, Va., is head waiter at "The Virginia." Mr. J. B. Walker of Washington D. C., at the "Homestead." Both of the gentlemen are equal to their task, and have won the respect and esteem of both guest and employees.

The men employed are from all sections of the state, Washington, D. C., Philadelphia, New York, and other sections. To their credit we wish to say they are sober, industrious and intelligent.

On every Sunday St. Paul Chapel is crowded to hear the pastor, Rev. W. H. Willis, A. B. He is a young man of exceptional qualities, and is doing much for his Master's cause as well as his race. Rev. James Neil of Howard University is also there and assists Rev. Willis.

On Wednesday nights, the Excelsior Literary Society hold their meetings at Mr. C. J. Winfree has just served a month as president. Mr. D. W. Hill will enter the office of president next meeting. These meetings are largely attended. The debates, oratory, and readings given are of the finest order, showing that the men though here working for the season are falling back no less on the literary line.

On Thursday nights the Song Service is led by Mr. J. B. Walker. We shall keep the readers posted every week as to our doings. J. H. B.

WASHINGTON LETTER

The Incoming Speaker—Mr. Easton's In-
terest—An Agricultural Muddle.

(From Our Regular Correspondent.)

WASHINGTON, D. C., July 15th, 1895.
The House of Representatives has been probably the most interesting thing in the attention to, and has certainly not made up his mind on any particular policy to be followed when he becomes Speaker of the House, a democratic newspaper published in Washington has found out all about it and has taken the public into its confidence. If there ever was more gall displayed, these days of "interference" by newspapers it has escaped your correspondent's attention, and he devotes his spare time in trying to keep up to date on the subject. He wants to stand for our rights, and he is fighting each other, but to fight for that which is right and God will do the rest if we will only trust him. There is an old saying that "the man who takes a step he will make two." As business men and leaders throw off past things shake hands with that one who have stepped speaking to for sometime, fall in line, work together, you at the gates of our city, and in the name of the Master heartily and cordially invite you in.

A committee of eight, (of which I am chairman), as fast as they are elected, so that we may know who expect to come that we may be better prepared to entertain all who may come.

Did I not make this correction, some might say that I am a little out of charge for board. No brethren, no charging for board nor lodging. We may not be able to come up to your expectations, in fact, we know that we are not, but we will do our best to make it so, we know further, that none shall be turned away who may come, and we believe that this is the only way to be satisfied, as peace and harmony is the strength of all institutions, but most especially so of a good Baptist State Convention. So come brethren and sisters, will meet you at the gates of our city, and in the name of the Master heartily and cordially invite you in.

effects so said the coroner's jury. Thereupon Hon. Gentry was arrested, but Democratic journals of this city says they learned he was not put in jail but was kept in the city.

The Hon. Gentry said he was an old man and he did not intend to kill the Negro, and was sorry. The Grand Jury could not find a true bill.

ANOTHER COLORED MAN KILLED.
Again, year before last there was a Negro shot and killed by a white man in Oldtown, the county. The Negro never struck the white man, but it took the grand jury eighteen months to find a true bill. Then at trial many witnesses testified that they heard the Negro say he was going to kill the white man, so he was told he could go free and yet have a police officer now who shot a colored man in the back and killed him. The colored man was given \$25 bond for carrying a concealed weapon, and found he could not give it he ran and was killed. This officer at the trial was told he could go free, this having been the case, the country are anxious to find him. Harris has a good Christian character and his conviction is said to be based upon prejudice.

be in five or six columns, and you know your editors can't afford to copy it for the benefit of your readers, so tell them to watch for the Richmond Planet on August 17, 1895, for our people are sure to go to destruction if the article I put in that issue of the PLANET fails to reach them.

Now I have written the truth, if your people, if my people fail to be true, act, they will surely die with the infernal disease of blind wit. Now of course John Mitchell will have to run a special edition, and all the people who send us a donation by the first of August, we will have brother Mitchell to send them a copy of the paper free of charge in any part of America and we will pay him for the paper ourselves. We are after saving the race. Do you want to know how it can be done? Give us a donation and God will give you the way. It is worth millions of dollars to the race. We will prove it by the PLANET of August 17, 1895.

I am a doctor worth obeying.
